EXPERIENCE

Frontend Developer

WellsIT Solutions

2020 - 2022 Remote

- Designed and developed responsive web applications using HTML, CSS, JavaScript, Bootstrap and React
- Created prototypes of varying fidelity to test concepts for projects
- Contributed on single-page applications using JS frameworks like React and Angular
- Translated concepts into mockups and prototypes to enhance the user experience and improve site interactions
- Communicated technical issues in an understandable manner to the team
- Defined and translated user requirements into project designs

Retail Manager

Vodafone UK

2014 - 2018 London, UK

- Coordinated sales activities to ensure monthly targets were reached
- Planned merchandising and product launches
- Monitored stock levels and ordered restock of products
- Assisted customers with product and service selection
- Handled customer claims and returns via phone and email

Frontend Developer

N.B.Y Consultancy

2012 - 2014 Anfield, UK

- Developed user-oriented visuals and features using HTML, CSS, JavaScript and Bootstrap
- Improved code quality through pair programming and code reviews
- Translated wireframes/mockups into responsive, interactive features using HTML, CSS and JavaScript
- Debugged websites and performed user tests before deployment
- Collaborated closely with the team to support projects during all phases of delivery to achieve project goals

EDUCATION

BSc. Computer Science

West London College
